Here Is Your Rationing Program Thru Feb. 8

During the next month, the government will come closer to the people than ever before with the state requiring its citizens to follow certain procedure if they are to obtain things to eat and transportation materials. Here is the rationing program through Feb. 8:

1. Tomorrow (Friday) is the deadline for obtaining war rationing book No. 1 from local rationing boards. Everyone must hold No. 1 book to obtain book No. 2, to be issued soon, for purchase of canned, dried and frozen foods.

Gas Ration Books (This rationing registration is expected to start about the third week in February and be carried on through the schools with the best gases for it to start about March 1; with meat rationing about March 15 or later.)

2. After tomorrow, rationing boards may issue temporary "A" gasoline rations for commercial vehicles, but only with petitions on ODT forms before them; after Jan. 31, they may issue non-petition rations. ODT will then take over issuance of gasoline, tires and parts, through certificates of war necessity.

Gas Ration Books 3. No. 3 coupons in "A" books expire Jan. 21, and No. 4 coupons become valid Jan. 22. "A," "B," and "C" coupons now are good for four gallons of gasoline.

Funeral Service Held For Widow of Late State Assemblyman

Funeral service was held last Friday for Mrs. May Reaves, 53, widow of the late Assemblyman Fred Reaves of the 68th district, who died at the family home in San Pedro after an illness of 10 days. Interment was at Memorial Park cemetery in San Pedro.

She leaves two daughters, Mrs. Freda Sleep of San Pedro and Mrs. Willis Everist of Utah, and five sons, four by a former marriage, Sherman, Elmer and Richard Weisel, of San Pedro; Duane Weisel of Los Angeles, and William Reaves of San Pedro.

Mr. and Mrs. Perris Hood of Lawndale were guests of Mr. and Mrs. V. R. Pierce Saturday evening.

how it was done. This gripping drama starts a four-day run Saturday, Jan. 16, at the Plaza theatre in Hawthorne. On the same bill will be Walt Disney's famed "Bambi."

First picture to tell the story of the unsung heroes of the Navy who man the guns on merchant ships, "The Navy Comes Through" has a cast which includes such favorites as Pat O'Brien, George Murphy, Jane Wyatt, Jackie Cooper, Desi Arnaz and Max Baer.

Studio technicians built an exact size five-inch naval gun at a cost of \$8,000, of which all but

\$20—for scrap metal material—went for labor. Completed after five weeks of 24-hour work days, the gun fires, recoils, does everything that a real gun does except throw a real shell. The figured out the working mechanism of the gun without the aid of blue prints, built it entirely from photographs.
